Airmic
*fast*Track

*fast*Track YOUR RISK AND INSURANCE
KNOWLEDGE AND EXPERIENCE

A TWO YEAR PROGRAMME DESIGNED TO BUILD
TECHNICAL KNOWLEDGE AND SKILLS IN THE
FUNDAMENTALS OF RISK AND INSURANCE
MANAGEMENT FOR PROFESSIONALS AT THE
FIRST STAGE OF THEIR CAREER

SUPPORTING YOUR PROFESSIONAL JOURNEY

5. INFLUENCER | PROFESSION LEADER

Members can steer the direction of the profession by chairing interest group meetings, joining the Airmic board and supporting Airmic mentoring and lobbying.

4. EXPERIENCED | SENIOR PROFESSIONAL

Members can focus their expertise by attending Interest groups, the Cass Risk Leadership programme, industry roundtables and raise their profile by contributing to Airmic committee meetings and project groups.

3. PROFESSIONAL | MID-CAREER

Members can enhance their careers by exchanging experiences with peers at the Academy and Business Excellence programmes, while also deepening their knowledge from technical reports and papers.

2. NEWLY QUALIFIED | EARLY CAREER

Members can develop their technical knowledge and earn CPD through the fastTrack education programme and explained guides.

1. STUDENT | PRE-PROFESSIONAL

Members are supported through a dedicated events programme for students, introductory level workshops and opportunities to network with peers and learn from more experienced members.

- Develop** your understanding of risk and insurance
- Grow** a long-lasting professional network
- Feel** more confident in your roles and responsibilities
- Accelerate** your career

Whether you have just graduated or are further in your career, Airmic **fastTrack** will provide a comfortable learning environment for risk, insurance and business professionals.

Take advantage of the following benefits:

- + **The *fastTrack* Academy**
A series of 20 bespoke workshops, helping you to develop fundamental understanding of risk and insurance management practices
- + ***fastTrack* at the Airmic conference**
A tailored programme of networking events and workshops held during the largest risk management conference in the UK
- + **The *fastTrack* Forum**
Be challenged and inspired by working alongside other risk professionals and their counterparts who work for Airmic partners, in a series of scenario exercise style workshops at this one day event

Are you a *fastTracker*?

You can benefit from the programme if:

- You are relatively new to the risk or insurance profession
- You have recently moved into a new role or assumed additional responsibilities in risk and insurance
- You want to develop your professional network
- You are new to Airmic and want to maximise the benefit
- You are further into your career but believe it's never too late to learn more!

Everyone is welcome to attend *fastTrack* events and there are no restrictions on age or experience.

The *fastTrack* Programme

The *fastTrack* annual programme of events runs from June each year

The Airmic Annual Conference (June)

A dedicated programme of events to help those attending for the first time get the most out of their experience

- + *fastTrack* lunch
- + Conference tour from *fastTrack* alumni
- + Tailored workshops
- + *fastTrack* drinks receptions

The *fastTrack* Forum - March

A one-day conference for *fastTrack*ers and their counterparts within brokers, insurers and other risk/insurance service providers

- + Inspiring keynote speakers
- + Interactive workshops
- + Group scenario exercises to put their technical knowledge into practice
- + Networking lunch and networking reception

+ the *fastTrack* programme attracts more than 180 members

+ 83% of members new to the profession want to develop their professional network

+ 90% of members new to the profession want fundamental risk and insurance training

The *fastTrack* Academy

A two-year programme of workshops to provide a fundamental understanding of the principles of risk and insurance management. Members can attend the most appropriate stream for their role – or both.

Members are encouraged to attend all workshops in their stream

Risk in the news	October 2020

Airmic Academy Programme

The Airmic Education Programme targets the learning needs of all Airmic members at different stages in their Professional Journey.

Whether you are new to the profession, leading a team, or looking for opportunities to develop and top-up your knowledge, the programme contains something tailored to your needs.

The Airmic Academy programme is part of the Airmic Education programme.

The Academy is a series of workshops, webinars, in-depth Forums focusing on a specific subject, and we're introducing a new 'boot camp' concept of immersive learning on areas of technology.

The fastTrack programme Foundation workshops are part of the Airmic Academy.

Airmic publish the Academy programme in hard copy three times a year, at the annual conference, the ERM Forum and the fastTrack Forum.

However, we don't always know all Academy dates and trainers when we go to print. We live in dynamic and complex times and new Academy learning opportunities will also be added to the programme from time to time.

For the most up to date information about the Academy and what this can offer you, details can be found at:
www.airmic.com/training
