# Leadership Masterclass Series 2024

## For today's leaders in risk and insurance

An exciting Masterclass Series from Airmic providing a unique opportunity for Airmic members to hear from leading speakers exploring the very latest thinking on issues concerning today's organisational leaders in risk and insurance.

### FREE to Airmic members

Register your interest now by emailing [leadership@airmic.com](mailto:leadership@airmic.com) stating which Masterclasses you would like to attend.

Delegates attending all five Masterclasses receive a digital badge / micro-credential upon completion.

Held at distinctive venues over breakfast and designed as peer-led practical sessions for those holding senior roles within their organisations, the Masterclasses offer a 'deep dive' into key subjects concerning today's leaders.

This year's Masterclass Series has artificial intelligence (AI) as its core theme throughout and explores topics such as:

- **Current and Future Trends in AI**
- **Ethical AI Practice**
- **Cyber Security, Data Privacy, and AI**
- **AI and the Future of Work**
- **The Future of AI in Insurance**

Please note that places are capped and offered on a first come first served basis. Therefore, by registering your interest you are occupying a place that another member may want and thus we ask that you commit to a date once registered.
