Leadership Masterclass Series 2025

For today's leaders in risk and insurance

An exciting Masterclass Series from Airmic providing a unique opportunity for members to hear from leading speakers in conversation exploring the very latest thinking on issues concerning today's organisational leaders in risk and insurance.

Held at distinctive venues over breakfast and designed as peer-led practical sessions for those holding senior roles within their organisations, the Masterclasses offer a 'deep dive' into key subjects concerning today's leaders.

This year's Masterclass Series explores topics such as:

- **Geopolitics**
- **Legal**
- **Technology**
- **Sustainability**

FREE to Airmic members

Attend any number or all four Masterclasses.

Register your interest now by emailing learning@airmic.com stating which Masterclasses you would like to attend.

Delegates attending all four Masterclasses will receive a digital badge upon completion to demonstrate their achievement.

Please note that places are capped and offered on a first come first served basis. Therefore, by registering your interest you are occupying a place that another member may want and thus we ask that you commit to a date once registered.

Airmic promotes and supports the planning, undertaking and subsequent recording, of Continuous Professional Development (CPD). Subject to the CPD scheme you belong to, this event may qualify for CPD hours.

Masterclass 1

Geopolitics 2025: Strategic Leadership in an Uncertain World

15 May 9-11^{am}
(with Networking Breakfast from 8.15^{am})

CNA Hardy,
20 Fenchurch Street, London EC3M 3BY

Sponsored by: **CNA / HARDY**

The global landscape in 2025 is shaped by escalating geopolitical tensions, economic fragmentation, and technological rivalries that threaten stability and growth. This Masterclass equips leaders with the tools to navigate these challenges, focusing on critical risks such as great-power competition, regional conflicts, tariff wars and the reconfiguration of global trade and supply chains. This Masterclass is essential for leaders seeking to drive success in a volatile and interconnected world.

Moderator:

Martin Richards

382 CNA Hardy; Chair: Joint
Natural Resources Committee
(JNRC)

Masterclass 2

Legal 2025: Leadership Strategies for Navigating Regulatory and Legal Risks

18 June 9-11^{am}
(with Networking Breakfast from 8.15^{am})

Herbert Smith Freehills,
Exchange House, Primrose St, London EC2A 2EG

Sponsored by: **HERBERT SMITH FREEHILLS**

As the regulatory and legal landscape grows increasingly complex, leaders must stay ahead of evolving frameworks that impact operations, innovation, and reputation. This Masterclass examines the most pressing regulatory and legal risks in 2025, including heightened data privacy requirements, ESG compliance demands, and international trade restrictions. Designed for executives and decision-makers, this session provides actionable tools to transform regulatory challenges into opportunities for sustainable growth and competitive advantage.

Masterclass 3

Technology 2025/2026: Leading Through Disruption

1 October 9-11^{am}
(with Networking Breakfast from 8.15^{am})

Everyman Broadgate,
1 Finsbury Avenue, London EC2M 2PF

Sponsored by: **AVIVA**

The rapid pace of technological advancement brings unprecedented opportunities and significant risks. In 2025/2026, leaders will continue to face critical challenges from cybersecurity threats, quantum computing, the growing interdependence of digital ecosystems, the ethical implications of AI and the destabilising effects of digital misinformation. With a focus on building resilience and fostering innovation, this session offers strategic guidance to navigate these challenges effectively while driving digital transformation in a rapidly evolving landscape.

Moderator:

Arslan Hannani
Chief Innovation Officer,
Aviva

Dr Daniel Hulme
CEO Satelia and Chief AI
Officer, WPP

Masterclass 4

Sustainability 2026: Navigating Risks and Driving Resilience in a Changing World

10 December 9-11^{am}
(with Networking Breakfast from 8.15^{am})

WTW,
51 Lime Street, London EC3M 7DQ

Sponsored by: **wtw | Willis**

As sustainability challenges reshape the global landscape, leaders must confront rising risks such as climate-driven resource scarcity, stricter environmental regulations, shifting stakeholder expectations, the financial impacts of climate policies, reputational risks from greenwashing, and the growing role of ESG/ sustainability metrics in decision-making. Designed for forward-thinking leaders, this Masterclass offers actionable insights to build resilience, foster innovation, and position their organisations as sustainability trailblazers in an evolving global economy.
