Airmic is the largest not for profit association in the UK and Ireland dedicated to those who are involved in managing risk or buying insurance for their organisation. With over 2,200 members we offer innovative learning programmes, thought leadership, events, and networking provided with the support of our partners from the world of risk management, insurance, business, and academia.

Be part of the Airmic community and join us in **Perth on Thursday, 19 November 2026** for a morning of discussion and networking. Revisit established contacts, make new ones, and gain insights from experts on key business and risk management topics.

Location – **Howden Offices, Caledonian House, West, Kinfauns, Perth PH2 7XZ**

Agenda

09:00	Arrival, Registration and Networking over a light breakfast
09:30	Opening and Welcome from Airmic and Howden
09:45	**Session 1 – Climate Resilience Workshop** The climate is changing and is no longer just an environmental issue. It is a resilience challenge that is reshaping how organisations manage risk, maintain operations and protect long-term growth. From supply chain disruption and infrastructure failures to impacts on the workforce and business interruption, weather events can create significant consequences.
